Montessori, My Child, & Me (MMC&M)

Plant the seeds for a lifelong love of learning through MMC&M's introduction to Montessori education.

Children ages 18-30 months, along with their adult caregivers, engage in traditional Montessori activities under the guidance of a certified Montessori teacher in a fully prepared Montessori environment.

Adult participants receive insights into and information about the Montessori philosophy, as well as child development and parenting trends.

Call (973) 377-2560 or email Bernadette Fasolas, Director of Hiring and Montessori Education, at bfasolas@njmca.me to begin your Montessori journey today!
