

We invite our MCA families to join us in assisting our 2017-2018 designated charity organization, Paws of War. This organization aims to “help both ends of the leash” through their work connecting military veterans with rescued dogs.

Please consider donating to this important cause. Checks made out to Paws of War may be brought to your child's campus anytime! Visit pawsofwar.org for more information.

MCA Supports Paws of War

- Training and placing shelter dogs with U.S. military veterans suffering from the effects of war.
- Providing positive reinforcement in an environment of trust and respect.
- Restoring confidence, independence, and peace of mind to our military veterans.

“The unknown energy that can help humanity is that which lies hidden in the child.” ~ Maria Montessori
